Memories thousand

As the 180 days of the school year rapidly fade away, we go on day by day living for the future and reminiscing about the past. This yearbook was created for the students of CAHS to look back upon years down the road, and remember the events that occured in the 1999-2000 school year.

Like most things, hard work, dedication, co-operation, and a common goal went into the production of this book. So, on behalf of the 99-00 yearbook staff, we would like to thank everyone for making this possible. Afterall, you are only in high school once and should hold onto these memories forever.

Babes in Arms

The play *Babes in Arms* was a musical production that was produced by Mrs. Walker. The play was shown from March 24, 25 & 26. There were two casts that the play consisted of. They all did a great job. There were many people involved with the creation of the set. The Senior High Art Club painted the scenery and donated their own artwork. Everyone worked together to accomplish this great musical.

This year the SADD Organization put on a mock car crash to show students what it would be like if they were to d and drive. This was held two days before the prom on the football field. The SADD members along with the assistance of Mr. Plasko's EMT class helped to present it. It was a success and will probably become a annual pre-pron event. Thanks to the Carmichaels Fire Dept., Borough and Township Police and anyone else who helped!
